## Surfactants Formulation Group Seminar

**Back to the Future 2004-2024**

**Ingredients for Homecare and I&I Formulations**

Cranage Estate, Holmes Chapel  
**Thursday 28th November 2024**

In 2004, the SFG group held a meeting on Ingredients for Homecare and I&I Formulations. The topics were regulations, sustainable surfactants, low foaming products and solvents in formulations.

In 2024, this meeting will look back and see what has changed since then. We will cover the topics of new sustainable surfactants, greener solvents, new products and a regulatory update of what might affect surfactants in the next 20 years.

Hopefully see you at the meeting.

The programme and booking form are attached.
