

## Personal Care Group

### BCA Personal Care Group - Joint Meeting with SCS RDG North

#### Now Where Were We? Latest developments in cosmetics and beyond

**De Vere Cranage Estate, Holmes Chapel, CW4 8EW**  
**Thursday 29 September 2022 at 9.30am**

The COVID-19 pandemic has accelerated the focus on sustainability with the market and the regulators busy on this hot topic. This meeting starts with a catch up on developments in the UK after Brexit and changes in the EU and an introduction to the UK Cosmetics Cluster. After lunch we focus on the EU Green Deal to get to the heart of what this means before we turn to what industry has to do to meet this next challenge. We then get an insight into the New Science Programme that aims to develop non-animal testing methods for cosmetics.

While the focus is on cosmetics, all these developments impact on other chemical markets and so this will be of interest to everyone who handles chemicals – you will hear it here first! We are continuing with our popular Q&A panel discussions to give time for your questions as well as the opportunity to network over lunch to take full advantage of being face to face. It will be great to see you again!

The meeting is open to all-comers and BCA and SCS members can attend at the members' rate.
